07 ACHIEVEMENTS

Aug 2022 — Aug 2022

Jaipur

Smart India Hackathon (2022), Indian Government

Our team, JM_ClashWithCode, had the privilege of participating in the prestigious Smart India Hackathon 2022, where we were selected to undertake the task of developing an educational website specifically aimed at catering to students from economically weaker section. Our team successfully completed the entire website development within a remarkable span of just two days, and we are delighted to announce that our efforts were rewarded with a second-place finish in the competition.

08 TRAINING

Sep 2021 — Jan 2022

Full Stack Web Developer at Prepbytes
